

In writing we will...

- Use the book 'The Lost Book of Adventures' as our vehicle text.
- Learn how to write a survival narrative as our fiction text.
- Learn how to write a survival guide as our non-fiction text.

In maths we will...

- Interpret and present data using graphs and pictograms.
- Recognise the properties of regular and irregular polygons.
- Understand the mathematical terms for angles on a straight line and within shapes.
- Build on our knowledge of perimeter and area.
- Recap using decimals for addition and subtraction.
- Multiply and divide decimals by 10, 100 & 1000

In history we will...

- Study Ancient Greece and its influence on the world today.
- Learn about the polytheist beliefs of the Ancient Greeks.
- Consider how its geography impacted the Greek civilisation.
- Compare life in Ancient Greece to other civilisations.

In grammar we will...

- Refine our use of relative clauses.
- Understand how adverbs can show possibility.

In reading we will...

- Continue to work on a wide variety of texts, developing our understanding.
- Use new vocabulary in context.
- Apply our skills to a variety of questions about the text.
- Ask questions about the text to develop our understanding.

In music we will...

- begin to learn the songs for our production (*shhh it's a secret*).

**Year 5
Summer 1
2025 - 2026**

In computing we will...

- transfer my program to a controllable device
- use a variable in an if, then, else statement to control the flow of a program.
- use a statement to change a variable.
- use a comparison operator (e.g. <=>) in an if, then statement.

In art we will...

- Improve our mastery of art and design techniques through sculpture.
- Learn about Ancient Greek pottery design and create our own out of clay.
- Record observations and review our work using sketchbooks.

In religion and worldviews we will...

- Interpret different sources of wisdom and beliefs about what happens when people die.
- Reflect on the similarities and differences of beliefs held in different worldviews.

In French we will...

- learn more about the different countries in the world where French is spoken.
- learn how to give directions in French.
- ask and answer questions about what we have learned.

In personal development we will...

- have an accurate picture of who I am as a person in terms of my characteristics and personal qualities.
- know how to build my own self-esteem.
- identify things I can do to reduce screen time, so my health isn't affected.

In PE we will...

- Combine accurate throwing and fielding skills.
- Identify opportunities to shoot and execute a shot effectively.

In science we will...

- identify the effect of air and water resistance.
- investigate gears and pulleys and how they impact upon the force required to move an object.
