

In writing we will...

- Use the book 'The Lost Book of Adventures' as our vehicle text.
- Learn how to write a survival narrative as our fiction text.
- Learn how to write a survival guide as our non-fiction text.

In maths we will...

- Finish our work on angles from Spring term.
- learn about ratio and proportion.
- continue to refine our arithmetic skills.
- practice converting between units of measurement.
- after SATs, begin our project work for the Summer, looking at real life applications of maths.

In computing we will...

- transfer my program to a controllable device
- use a variable in an if, then, else statement to control the flow of a program.
- use a conditional statement to change a variable.

In religion and worldviews we will...

- Interpret different sources of wisdom and beliefs about what happens when people die.
- Reflect on the similarities and differences of beliefs held in different worldviews.

In reading we will...

- Continue to work on a wide variety of texts, developing our understanding.
- Use new vocabulary in context.
- Apply our skills to a variety of questions about the text.
- Answer questions on unseen texts to practise the skills we have learned.
- Continue to practise using evidence to answer questions.

**Year 6
Summer 1
2025 - 2026**

In history we will...

- Study Ancient Greece and its influence on the world today.
- Learn about the polytheist beliefs of the Ancient Greeks.
- Consider how its geography impacted the Greek civilisation.
- Compare life in Ancient Greece to other civilisations.

In personal development we will...

- understand that people can get problems with their mental health and that it is nothing to be ashamed of.
- know how to take care of my mental health.
- judge whether something online is safe and helpful for me.

In french we will...

- learn more about the different countries in the world where French is spoken.
- learn how to give directions in French.
- ask and answer questions about what we have learned.

In art we will...

- Improve our art techniques through sculpture.
- Learn about Ancient Greek pottery design and create our own out of clay.
- Record observations using sketchbooks.

In PE we will...

- Combine accurate throwing and fielding skills.
- Fluently combine accurate throwing and fielding skills.
- Identify opportunities to shoot and execute a shot effectively.

In music we will...

- begin to learn the songs for our production (*shhh it's a secret*).

In science we will...

- identify the effect of air and water resistance.
- investigate gears and pulleys and how they impact upon the force required to move an object.
