

## Year 5/6 Information

Summer 2  
2026

### Summer 2!

As we dive into the final stretch of the academic year, Summer 2 brings an exciting array of learning experiences for our children. Year 5 and Year 6 will both be embracing their creative sides by learning songs and dances for our upcoming school production. In the classroom, pupils will continue their fascinating exploration of Ancient Greece and even apply their culinary skills to craft nutritious Greek salads and flatbreads in DT. With additional opportunities to refine programming skills using micro:bits, this term promises to be a vibrant and memorable conclusion to the year.

#### Reminders and Requests

As the weather gets warmer, please ensure that your child brings a water bottle (filled with water) to school every day.

**Year 5 parents: Please spend some time with your child helping them practice to spell any middle names they have. Children are required to do this when they complete test papers.**

PE continues to take place every Friday: please ensure your child comes to school in their kit. We are working with Hull FC again this term. Children must have appropriate shoes for PE please. Long hair must be tied up and jewellery removed.

**As it gets sunnier, we are very happy for the children to bring in their own suncream, which they can apply.**

#### Reading

We have been so impressed with the amount of children hitting their Accelerated Reader target every half term - this is a fantastic achievement. Accelerated Reader targets are individual to each child and based on their reading level so **everyone is capable of achieving 100%**.

#### Production

Our performances will take place on the 29th (afternoon) and 30th (evening) of June.

It is essential that children return to school for the evening performance - if you foresee an issue with this please speak to your child's class teacher as soon as possible.

After the holiday we will send out a request for props and give your children their costume list. If you have any questions about the props or costumes please speak to a member of staff in Year %.
