

### **What is Sports Premium?**

The Sports Premium grant is additional funding from the government to improve provision of physical education (PE) and sport in primary schools. It is also for improving the health and wellbeing of primary pupils. From September 2018, each school receives £16,000 plus an extra £10 per pupil, per year.

At Hallgate Primary School, this amounts to £18,407 for the academic year 2023 - 2024, to be spent on sport and PE provision in school.

### **How will the Sport Premium be spent?**

#### **Key Priorities for 2023 - 2024**

- We continue to recognise the benefits of Outdoor Learning on pupils' health and wellbeing, as well as supporting motivation and engagement in learning. We are therefore further developing our Outdoor Learning provision, to ensure that all pupils have regular opportunities to participate in high quality provision that is closely linked with other areas of the curriculum.
- We are a member of the local Sports Partnership and, as a result of this, are able to provide opportunities for pupils to participate in a wide range of local and regional sporting events.
- We are constantly looking for ways in which to support and encourage pupils' participation in extracurricular activities; additional funding will be used to provide a wider range of activities and also overcome barriers to participation.
- Hallgate is committed to ensuring the provision of high quality sports equipment.
- Children will have the opportunity to develop a range of skills as a result of the Sports Premium funding; this includes pedestrian skills, scooter skills and bikeability.

*The breakdown of expenditure is on the next page.*

	<b>INCOME</b>	<b>EXPENDITURE</b>
	<b>£18,407</b>	
<b>SPORTS PARTNERSHIP</b>		
- Enrolment Costs		£1,900.00
